**Winter Tips/Tricks:**

◆ Assemble a winter survival kit to include: flashlight, batteries, blanket, water, gloves, ice scraper/snowbrush, extra winter clothes, and hand warmers. ◆ Heat up frozen locks with hand sanitizer. ◆ Put socks on windshield wipers to avoid de-icing blades in the morning. ◆ Park facing the sun. ◆ Wrap gallon size plastic bags and secure with rubber bands to keep side mirrors snow and ice free on vehicles. ◆ Apply zip ties to your bicycle tires to gain more traction.

**Census Bureau: The Census Bureau provides vital information for you and your community. It is very important to get an accurate count when doing the census. Be sure to respond and complete your census submission. The census mailings and phone calls are likely to start in March.**
