DOG FECES

We are asking all dog owners when they take their dogs outside, to please clean up after their dogs by picking up the dog feces.

Residents are asked to watch their children/grandchildren, especially in the hallways, as children have been observed running up and down in these areas. This could be considered disturbing the right to peaceful enjoyment as stated in the lease.

SHOPPING CARTS

We have been providing shopping carts to you to assist you with bringing in groceries, etc. into your apartment. It's not helpful to your neighbors or other residents when the shopping carts are not put back for others to use.

CIGARETTE BUTTS & TRASH

We want to keep our living environment nice and clean. Please keep your cigarette butts off the ground and out of the building. We are a smoke-free campus.

It would also be appreciated if your trash is leaking to either put it in a second trash bag and/or clean up the floor.

SPILLS/MESSES

We don't want anyone to fall nor get hurt from a spill that someone didn't clean up. If you spill or make a mess, please clean it up.

WINDOW AIR CONDITIONERS

Residents are asked to call the HCHA Office to have their window air conditioner installed. We have had residents install the window air conditioner on their own and this causes damage to your apartment that can be avoided.

thank you!
